Tavistock and Portman NHS Trust

Postgraduate Certificate in Child Adolescent and Family Mental Well-Being: Multidisciplinary Practice (D24)

Vacancy for Course Lead

Validated by the University of Essex.

Delivery at the Gloucestershire Counselling Service, Stroud from September 2017

We are seeking a qualified and accredited individual with substantial experience in working with children and families and in training course management, to join the course team as **Course Lead.**

The Course Lead will be responsible for managing and leading this course at GCS in Stroud. Working closely with the T&P Portfolio Manager for Psychological Therapies and the GCS Head of Training, the Course Lead will ensure the successful delivery of the Postgraduate Certificate and develop further training programmes to Masters Level.

This award-winning one-year part-time course introduces the fundamental aspects of child, adolescent and family mental healthcare and practice, informed by psychodynamic and systemic theory. It is intended for people interested in working with children and families such as counsellors, social workers, child and adolescent primary mental health care workers, CAMHS practitioners, nursing practitioners, fostering and adoption staff and carers.

The course provides an understanding of essential issues in therapeutic work with children, young people and families, the latest developmental science, research and theory into childhood and family development. It includes key presenting issues and evidence based practice in relation to these and it is underpinned by psychodynamic and systemic therapeutic concepts. The course

professional standards authority accredited register

will develop sophisticated observational and assessment skills for use in practice and for working with inter-professional colleagues and agencies.

Successful completion of the course leads to further professional training such as a Postgraduate Diploma in Applied Systemic Theory or the Postgraduate Diploma/MA in Psychological Therapies with Children, Young People and Families.

Subject to accreditation by Association of Family Therapy (AFT), students who undertake the Family Observation module will gain Foundation level training in Systemic Psychotherapy.

You can find full details of the course and its delivery at GCS in Stroud here:

https://tavistockandportman.nhs.uk/training/courses/child-adolescent-and-family-mental-well-being-multidisciplinary-practice-stroud/

Hours and place of work

The course will be delivered at the GCS premises in Stroud (or an alternative venue) on Thursday afternoons and monthly Fridays. Some flexibility around working hours may be necessary.

The position and hours are advertised subject to sufficient recruitment to the course and to cohort size. The Course Lead will be employed by Gloucestershire Counselling Service for 7 hours per week.

For an informal discussion about the position please contact either Peter Griffiths, Portfolio Manager for Psychological Therapies at the Tavistock and Portman NHS Trust PGriffiths@tavi-port.nhs.uk or Mike Keating GCS Head of Training mike.keating@gloscounselling.org.uk.

For further details including Job and Person Description and an application form please email training@gloscounselling.org.uk.

Closing date for applications is July 14th 2017.

Interviews will be held in Stroud in the week of July 24th 2017.

T&P and GCS are equal opportunities employers and welcome applications from all sections of the community.
